

INFO PACK

Long term EVS - 6 months: April 2016 – September 2016

Léo Lagrange Méditerranée
Maison Pour Tous La Maurelle / Frais Vallon

Marseille, France

• Context :

The MPT La Maurelle/Frais Vallon belongs to the Leo Lagrange Meditteranee leisure and community center. It is an educational center, aimed at children and proposing leisure activities, to ensure discovering, creativity, independence. It is also a place of dialogue, liberty, solidarity, actions and projects developed for and with the youth. The MPT La Maurelle/Frais Vallon is located in Marseille (South-East of France), in the 13th arrondissement.

• Volunteer tasks :

In the framework of the “MOVEuro 2016” project, the volunteer will take part in the organisation of sport events in cooperation with other volunteers of this project and in the preparation of sport activities of the hosting organisation.

The volunteer will develop intercultural workshops with children, teenagers and adults in order to exchange about cultural practices (cooking workshops, linguistic workshops, sports animations, organisation of intercultural evenings with debates...).

The volunteer will intervene in a social center in the heart of a priority neighbourhood of the city close to a population with a strong social and cultural mix.

Under this project, 4 volunteers will be host in Marseille in 3 different organisations (City of Marseille, MPT Panier/Joliette and MPT La Maurelle Frais Vallon), and they will organise common actions linked to sport. Every Friday should be spent for this purpose at this common time.

With the help of Pistes Solidaires Méditerranée and other organisations and actors, volunteers will help to the:

- Implementation activities and workshop in the Fan Zone during the competition Euro 2016
- Organisation of a Youth Exchange with sport as thematic in July 2016 with a Belgian partner.
- Establishment of activities during the European Week of sport in Marseille
- Video edition for the "20 Years of EVS programme", a seminary will be organise at the end of September by the French national agency

• **Volunteer Profile :**

The volunteer needs to be between 17 and 30, to be motivated by the project missions, to be social and enjoy teamwork. This project requires a keen interest in sport activities and the entertainment of young people.

Basic knowledge of French language would be appreciated.

• **Practical information :**

Working hours:

30 hours a week. Friday dedicated to the preparation of the common project "MOVEuro 2016".

Food:

Volunteers will receive a monthly allowance to cover this cost.

Accommodation:

The volunteer will be hosted in a shared apartment, fully equipped in the city center. Depending on the accommodation, the volunteer might share is room with another volunteer.

Linguistic support:

The coordinating organisation will arrange support according to the needs of the volunteer, and the volunteer can follow the "Online Linguistic Support" implemented by the European commission.

Support and monitoring:

The volunteer will have an internal tutor (for monitoring, adaptation and evaluation of his missions) and an external tutor (for personal social integration ...).
